

## Patient Information ERECTION HARDNESS SCORE

The Erection Hardness Score (EHS) can be a helpful tool to help us evaluate your erection problem, and then, asking the same question later, how it responds to treatment.

It is the single answer to the following question:

" How would you rate the hardness of your erection?"

*Select one of the following options that describes your recent erections:*

- 0 - Penis does not enlarge
- 1 - Penis gets larger , but not hard
- 2 - Penis gets hard, but not hard enough for penetration
- 3 - Penis gets hard enough for penetration, but not completely hard
- 4 - Penis gets hard and fully rigid.
